<div style="background-color: yellow; text-align: center; padding: 5px;">NOTICE</div> <p>I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinance governing this type work will be complied with whether specified herein or not. The granting of permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.</p> <p><u>Attach the following:</u></p> <p>Plot Plan showing location of the bee hives and water source</p>	
<p>A person who keeps or houses bees on their property shall comply with the current ordinance and the location requirements listed below:</p> <ol style="list-style-type: none"> 1. No hive shall be maintained on any parcel where any public outdoor recreational area or public park lies within 100 feet of the exterior boundaries of the parcel. 2. Bees shall be kept in such a manner so as not to create a nuisance or threat to health or following conditions shall exist as a precondition to the issuance of any permit: <ol style="list-style-type: none"> a. A source of fresh water shall be maintained for bees at all times near the hives and on the parcel. b. Including the applicant's own hives, no more than three hives or boxes containing three hives shall be kept on any lot/parcel zoned RS120, RS84, RS72, RD60, RG50 or RG20. In the event one acre in area, no more than four hives or boxes of four hives shall be maintained per one-quarter acre. c. No hive shall be maintained within 25 feet of any dwelling or building, except that of the applicant, or any street, road or public right-of-way. d. No hive shall be maintained within 25 feet of the exterior boundary of any abutting property, unless there is a barrier present of sufficient height to deflect the flight of bees which the bees are being maintained and the abutting property. This provision may be waived in writing by the resident of any abutting property. e. The foregoing conditions shall be continuously maintained by the holder of any permit issued pursuant of this article.
